Response to Missing Parts

Sir:

In response to the Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office, please see Applicant's comments below which are confirmation of the phone conversation Applicant had with Mamie P. Person at the USPTO on April 11, 2007:

Additional claims fee - At the time of the US national filing, Applicant submitted a preliminary amendment in which 28 of the 64 claims were cancelled. This left 36 claims remaining, 16 of which required a payment of a claim fee of \$800.00. Applicant paid this fee at the time of filing and does not believe any further fees are required. Copies of the Preliminary Amendment and fee sheet are included. Please also note our deposit account number below if the United States Designated/elected Office disagrees.
